## AA PL Wall Sconce

Designed for illumination in hallways and stairwells, the AA is a simple yet decorative wall sconce utilizing compact fluorescent PL technology, resulting in reduced energy costs when compared to similar incandescent solutions.

Housing built from brass or 20 gauge steel powder-coated after fabrication. A diagonal prismatic or opalescent lens protects the lamps and diffuses the light to create an even distribution pattern.

AA-1-13-W-L3-M-120

All fixtures **CSA** approved.
