

CL-LED-BOXR (3300lm)

Ceiling Mount Box-Style LED Light

High efficiency LED ceiling-mounted box-style fixture with a high-reflectance white reflector.

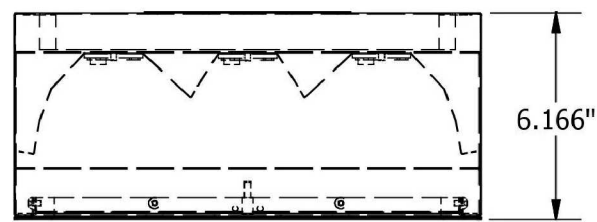

Housing built from 20 gauge post-painted steel. A gasketed white acrylic or prismatic lens shields the LED components and evenly diffuses and illuminates. A spring tensioned gasketed frame permits easy access to the inside of the luminaire for installation and maintenance.

Ideal for general purpose interior or exterior applications.

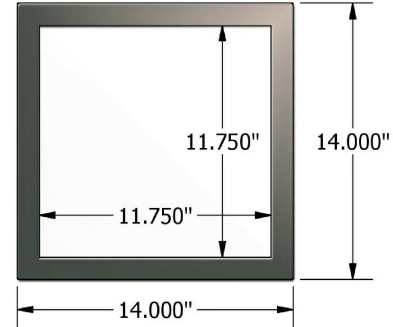

CL-LED-BOXR (3300lm)

All fixtures CSA approved.
